PETITION TO WITHDRAW HOLDING  
OF ABANDONMENT UNDER MPEP  
§711.03(c)II BASED ON FAILURE TO  
RECEIVE NOTICE TO FILE MISSING  
PARTS AND FILING RECEIPT

Mail Stop DAC  
Commissioner for Patents, P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant respectfully petitions that the holding of abandonment for the above-referenced patent application be withdrawn under M.P.E.P. § 711.03(c)II. In support of this petition, we provide the following:

Applicant states that a notice to file missing parts and filing receipt, which the Patent and Trademark Office alleges were mailed on November 14, 2003 were never received, and a search of the file jacket and our docket records indicates that the above-mentioned documents were not received. In support of this statement, attached are copies of the docket report where the actions due for the nonreceived office communications would have been entered had they been received and docketed.

Specifically, attached are relevant pages of Townsend and Townsend and Crew LLP's "Patent and Trademark Chronological Docket" for January 14, 2002 (2-

month unextended response time) and February 14, 2002 (3-month or 1-month extended response time); March 14, 2002 (4-month or 2-month extended response time); April 14, 2002 (5-month or 3-month extended response time); May 14, 2002 (6-month or 4-month extended response time); and June 14, 2002 (7-month or 5-month extended response time). Since the dockets include other clients' matters, information specific to those matters has been redacted to preserve confidentiality. Relevant pages 266-279 reflecting January 14, 2002 due dates; pages 265-285 reflecting February 14, 2002 due dates; pages 279-297 reflecting March 14, 2002 due dates; pages 254-269 reflecting April 14, 2002 due dates; pages 243-264 reflecting May 14, 2002 due dates; and pages 271-293 reflecting June 14, 2002 due dates are enclosed. The client file number for this application is 082863-000100. The client file numbers are listed numerically. A docket date corresponding to an official letter with a 2-month deadline would have appeared on page 277 of the January 14, 2002 docket; a docket date corresponding to an official letter with a 3-month deadline would have appeared on page 281 of the February 14, 2002 docket; a docket date corresponding to an official letter with a 4-month deadline would have appeared on page 294 of the March 14, 2002 docket; a docket date corresponding to an official letter with a 5-month deadline would have appeared on page 267 of the April 14, 2002 docket; a docket date corresponding to an official letter with a 6-month deadline would have appeared on page 262 of the May 14, 2002 docket; and a docket date corresponding to an official letter with a 7-month deadline would have appeared on page 290 of the June 14, 2002 docket (all where indicated by arrows) had there been a pending due date known to us, since the docket reports are sorted by due date and then by client file number.

Since these official documents were never received, Applicant was unable to file a timely response. As such, Applicant respectfully requests that the Examiner withdraw the holding of abandonment.

The undersigned believes that no fee is due in view that the filing receipt and notice to file missing parts were never received. However, if a fee is due, please
